## Product Portfolio

LobbyTools is the most powerful legislative information provider in the State of Florida. Subscribe today and revolutionize your legislative monitoring and advocacy efforts.

### tracking .....

Access up to the minute bills, amendments, calendars, statutes and legislator and committee profiles. More importantly, identify bills, keywords and statutes of interest and let LobbyTools take over the entire monitoring process. LobbyTools will tell you where to be, how your bills are progressing and bills that reference the statutes you have identified as critical. Our reporting features allow you to keep your clients or associates informed with professionally formatted and comprehensive reports generated in real time with the click of a button.

### news .....

Access articles from major Florida and National sources. Create a custom list of keywords and let LobbyTools generate keyword reports for you. Deliver professionally formatted custom news reports for your clients or associates with the click of a button.

### florida insider .....

Florida Insider features news, in-depth analysis, forecasting and exclusive polling on Florida state politics and government. The subscription-based service is Florida's number one political website. It is read regularly by the state's political elite, including elected officials, lobbyists, bureaucrats, consultants, advocacy groups, business leaders and more.

### web publisher .....

Web Publisher allows the publishing of news clips, bills or files directly from LobbyTools to your website or a secure intranet. This tool provides the most cost-effective means of displaying and maintaining legislative actions, critical documents and important news of the day. Set up takes just minutes and requires no technical knowledge to update – saving time, reducing costs and keeping your membership or constituency up to date.

### analyst .....

Give important clients or legal staff secure access to the latest bill information including bill summaries, sponsors, updated bill text, amendments, staff analysis and statute citations. Allow your associates access to only the bills you want them to see and eliminate the time consuming process of providing daily updates for basic progress information.

Analyst also serves as a communication tool allowing your associates to input notes or upload files that will assist you in representing their positions more effectively.

### lobbyist registration .....

Managing expenses for multiple lobbyists and principals has never been so easy with our registration and expenditure tool. Enter expenses as they are incurred and with the push of a button allow LobbyTools to create registration, cancellation, change or semi-annual expenditure reports for the Executive and Legislative branches.

## Product Portfolio > news

Access articles from major Florida and National sources. Create a custom list of keywords and let LobbyTools generate keyword reports for you. Deliver professionally formatted custom news reports for your clients or associates with the click of a button.

### news features

**Keyword Tracking** – Create keywords and phrases which can be edited at any time and let Lobbytools display all articles that include the keywords or phrases from over 50 Florida and National sources. Keyword article matches are updated in real time, as Lobbytools receives articles throughout the day and night. Keyword article matches may easily be formatted for printing or emailed to individuals or groups of contacts directly from the Lobbytools system.

**Categorized Articles** – LobbyTools staff scans all articles received each morning and hand selects clips to be placed into 17 pre-designated categories. Each category has been established with the legislative professional in mind. These categories, covering a wide spectrum of interest areas (from Education to Florida Politics) allow users to receive a more comprehensive list of articles matching an area of interest that may be omitted from a specific keyword search or phrase.

**Custom News Reports** – LobbyTools provides the ability to e-mail or print multiple articles by creating a Custom News Report. Users may select any number of articles from their archive folder to include in the report as well as choose between several format options. In addition to printing out a Custom News Report users may also e-mail the report to constituents and co-workers with one click.

**Email Alerts** – Receive a list of the top political headlines of the day from all of the sources LobbyTools directly via our email alerts. LobbyTools will also email any matches to the keywords you have designated.

**Florida Sources** - Associated Press, Bradenton Herald, Bradford County Telegraph, Daytona Beach News Journal, Everglades Echo, Florida Times-Union, Florida Today, Gainesville Sun, Jacksonville Bus. Journal, Jacksonville Daily Record, Jupiter Courier, Key West Citizen, Lakeland Ledger, Marco Island Eagle, Miami Herald, Miami/Ft. ## Product Portfolio > Florida Insider

Florida Insider features news, in-depth analysis, forecasting and exclusive polling on Florida state politics and government. The subscription-based service is Florida's number one political website. It is read regularly by the state's political elite, including elected officials, lobbyists, bureaucrats, consultants, advocacy groups, business leaders and more. Florida Insider is not a traditional news service and it is not a blog.

A division of the Internet News Agency and InsiderAdvantage, Tallahassee-based Florida Insider ([www.flinsider.com](http://www.flinsider.com)) uses a combination of inside sources, nationally acclaimed independent polling, and expert analysis from experienced former politicians to not only report what has already happened in Florida politics, but also what is most likely to happen in the future. It is an invaluable tool for those whose business is politics, or whose business depends on what happens in the world of Florida politics and government.

# lobbytools

## Product Portfolio > web publisher

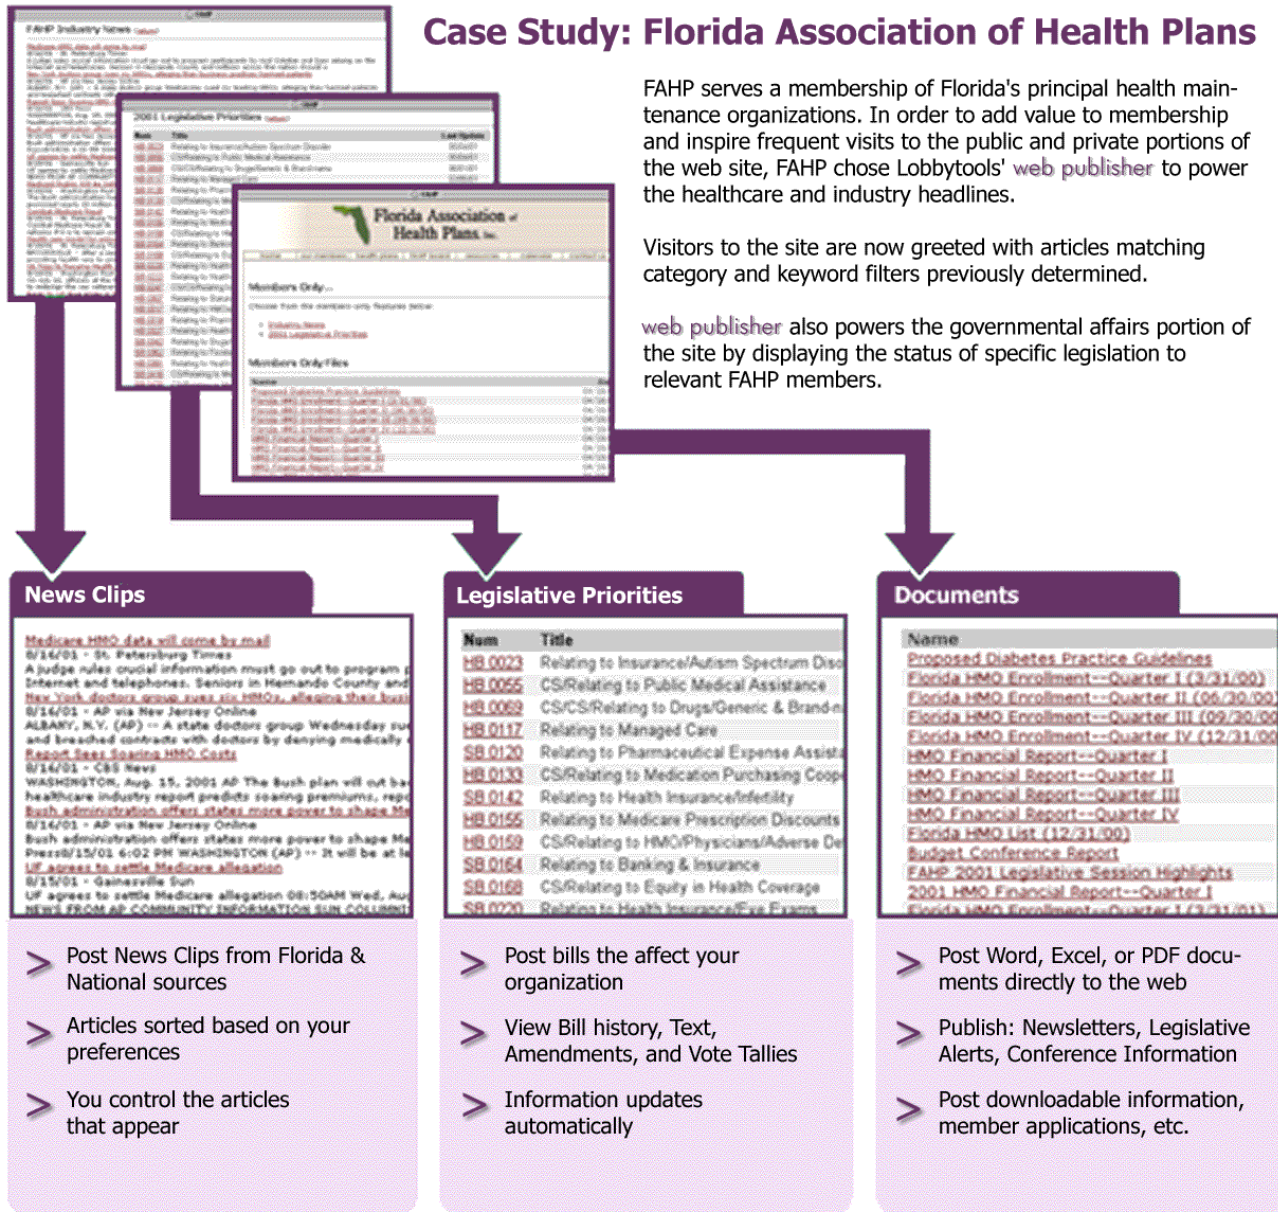

Web Publisher provides the most cost-effective means of displaying and maintaining news clips, legislative action and other critical documents. Set up takes just minutes and requires no technical knowledge to update – saving time, reducing costs and keeping your membership or constituency up to date.

### Case Study: Florida Association of Health Plans

FAHP serves a membership of Florida's principal health maintenance organizations. In order to add value to membership and inspire frequent visits to the public and private portions of the web site, FAHP chose Lobbytools' **web publisher** to power the healthcare and industry headlines.

Visitors to the site are now greeted with articles matching category and keyword filters previously determined.

**web publisher** also powers the governmental affairs portion of the site by displaying the status of specific legislation to relevant FAHP members.

## Product Portfolio > bill analyst

Analyst is a product designed specifically for organizations who have subject matter experts and analysts whose role is to provide analysis for a bill's impact. Lobbytools Analyst provides the ability to assign bills to experts, monitor the completion and progress of assignments and share comments and files between the legislative coordinator and the subject matter experts.

### bill analyst features

**Bill Assignments** – Assign bills to your subject matter experts and manage these assignments using the Lobbytools Analyst module. Analysts have access to the latest bill summary, text and amendments, statute citations and staff analysis with which to perform the bill analysis. Analysts may include notes, forward assignments to other subject matter experts with the correct permissions or attach files that include additional information such as a fiscal analysis in Microsoft Excel format.

**Daily Assignment Alerts** – LobbyTools will automatically alert analysts of any pending or new assignments on a daily basis via a customized email alert. This is an optional feature and can be activated or deactivated for each individual analyst.

**Analyst Communication Center** – LobbyTools allows you to easily communicate key positions or ideas about assigned bills. Within the analyst communication center, analysts and controllers can enter notes, answer specific questions devised by you and even upload files of all types.

**Include Analyst Notes in Custom Bill Reports** – LobbyTools has integrated the Analyst suite by allowing any notes or files uploaded by analysts to be included in your custom bill reports.

## Product Portfolio > lobbyist registration

Managing expenses for multiple lobbyists and principals has never been so easy with our registration and expenditure tool. Enter expenses as they are incurred and with the push of a button allow LobbyTools to create registration, cancellation, change or semi-annual expenditure reports for the Executive and Legislative branches. No more hours spend by your legislative assistant or worse your accountant adding up receipts!

### lobbyist registration features

**Manage Lobbyists** – Enter the contact information that is used in all forms one time for each lobbyist and let Lobbytools merge this information automatically in each form created. You may add, edit or delete lobbyists names and contact information at any time.

**Manage Principals** - Add, edit or delete each principal represented by your firm and Lobbytools will use this information when generating registration, cancellation or change forms. Assign where applicable the designated lobbyist for each principal to ensure that your executive expenditure reports are completed correctly.

**Expense Tracker** - The cornerstone of the Lobbyist Registration module is the Manage Expenses tool. Here, you may enter, edit or delete each expense that will be reported in the Legislative or Executive Expenditure Reports. Each expense includes a date, amount, category, principal and lobbyist.

**Generate Forms** - Lobbytools allows you to create all forms for the Executive and/or Legislative Branch for each of your lobbyists and principals with the simple click of a button! Lobbytools merges all information entered into the system to complete the appropriate name and address fields. Even better, Lobbytools will do the math for you to complete your expenditure reports!

## Sample Reports > calendar

LobbyTools provides the most comprehensive calendar by aggregating official House, Senate and Joint Committee meetings as well as Executive and workgroup hearings. LobbyTools also provides listings of social events including sponsored "Legislative Days" at the Capitol and elected official birthdays. Bills on the agenda that are included in your tracking list are identified to alert you of their importance.

Export any event to Outlook or other calendar software with the click of a button. All information relating to the event will automatically be pre-filled into the application including the meeting location, times, bills on the agenda, speakers and presentations.
